## Memer Wanted: Paid Opportunity & Remote Work

### Who We Are:

KamaGPT is an AI-startup based in Singapore, revolutionizing sex-ed for youth. Think judgment-free zones, all your curious questions answered, and empowering the next gen with the info they need for their sexual well-being.

### What You'll Do:

- Create Memes That Matter: Whip up hilarious yet insightful memes for IG, Twitter, and TikTok that get people talking about sexual health, consent, and relationships.
- Trend Spotter: Keep your finger on the pulse of what's hot in meme culture and youth trends.
- Engage & Empower: Use your memes to engage our community and empower them with knowledge, one laugh at a time.

### Who You Are:

- A meme wizard who knows social media like the back of their hand.
- Creatively brilliant with a knack for hitting the viral sweet spot.
- Passionate about making a difference in public health and sexual education.
- Ready to work remotely and flex those meme-making muscles at your own pace.

### Why KamaGPT?

- Impactful work that actually makes a difference.
- Be part of a mission-driven team changing the sex-ed game.
- Competitive pay for spreading laughs and knowledge.
- Remote flexibility to create from anywhere.
